

<b>MVG#</b>	<b>Major Vegetation Group</b>
1	<a href="#">Rainforest and vine thickets</a>
2	<a href="#">Eucalyptus tall open forests</a>
3	<a href="#">Eucalyptus open forest</a>
4	<a href="#">Eucalyptus low open forest</a>
5	<a href="#">Eucalyptus woodlands</a>
6	<a href="#">Acacia forests and woodlands</a>
7	<a href="#">Callitris forests and woodlands</a>
8	<a href="#">Casuarina forests and woodlands</a>
9	<a href="#">Melaleuca forests and woodlands</a>
10	<a href="#">Other forests and woodlands</a>
11	<a href="#">Eucalyptus open woodlands</a>
12	<a href="#">Tropical Eucalypt woodlands/grasslands</a>
13	<a href="#">Acacia open woodlands</a>
14	<a href="#">Mallee woodlands and shrublands</a>
15	<a href="#">Low closed forest and closed shrubland</a>
16	<a href="#">Acacia shrublands</a>
17	<a href="#">Other Shrublands</a>
18	<a href="#">Heath</a>
19	<a href="#">Tussock grasslands</a>
20	<a href="#">Hummock grasslands</a>
21	<a href="#">Other grasslands, herblands, sedgelands and rushlands</a>
22	<a href="#">Chenopod shrub, samphire shrub and forblands</a>
23	Mangroves
24	Inland aquatic – freshwater, salt lakes, lagoons
25	Cleared / modified native vegetation, buildings
26	Unclassified native vegetation
27	Naturally bare – sand, rock, claypan, mudflat
28	Sea and estuaries
29	Regrowth, modified native vegetation
99	Unknown / no data
